

2024 Membership And Business Resource Directory

Dear Chamber Member,

We are excited to announce that production is underway for our **2024 Deer Park Chamber Print + Digital Membership & Business Resource Guide**

You can expect best-in-class layout, mobile functionality, video integrations. special sections and the highest levels of professionalism across the board.

The idea is to take a “Best in Class” publication and make it even better.

This added benefit of digital will be a new way to gain exposure for our members. The publication will include video about our wonderful Community, chamber profiles, featured articles, and our membership directory, which will organize chamber members by alphabetical order and by business category.

Digital allows a greater reach and permits us to utilize the latest technologies for a searchable, interactive, mobile-friendly publication. The Guide will be published on the chamber website, sent via email, and shared by social media, which will allow your advertising to be directly linked to your company’s website.

Our representative from Town Square Publications is Dac Randall. You may reach him by completing the information below and emailing to Dac, call Dac direct at (253) 861-6509 or email Dac at drandall@tspubs.com for a complete overview and details..

The publication will strive to increase our members’ spheres of influence, by being distributed to individuals and organizations outside of our Chamber membership. We encourage our Chamber members to take advantage of the added benefits that this new publication has to offer.

Bringing you tools for success,

Paula Moorhaj
